CONEPCION PICCIOTTO-VICTIM  
CIVIL RIGHTS - POLICE BRUTALITY

At 2:00 p.m., 11/19/78, CONEPCION PICCIOTTO telephonically advised she was a naturalized American (formerly from Spain) and newly arrived in Washington, D.C. (WDC), from New York City. She currently resides at 1439 N Street, N.W., WDC, but does not have a phone. She receives mail at P.O. Box 4931, WDC, 20008.

She called the complaint in from a public phone in Union Train Station and advised that at 1:30 p.m., 11/19/78, she was walking near the U.S. Department of Labor garage at 3rd and D Streets, N.W. At this location an officer (force not stated), later identified by the victim as [REDACTED] made uncomplimentary remarks about her appearance. She stopped, rebutted his remarks and was sprayed in the face with a liquid that "took my breath away and tasted sour in my mouth." To remove the sour taste she spit and thereafter was grabbed by the arms by this officer and taken into an office inside this garage. [REDACTED] forced her to sit in a chair and told her that she was not allowed to leave because she was going to be arrested. He called for assistance and a female officer, name and badge unknown, arrived and shortly thereafter told PICCIOTTO she could go.

b6  
b7C

PICCIOTTO left the garage after being held 10 - 15 minutes, went to Union Station to retrieve the remainder of her baggage and called the FBI to make her complaint. She was told to call the FBI by the information operator. She was not beaten and did not seek medical help for the liquid sprayed in her face.

44-1172-1

Her complaint was presented rationally; however, in view of her heavy Spanish accent, train station background noise, and her lack of knowledge of WDC, PICCIOTTO should be re-interviewed for additional details.

# STORY.

I was on my way to the Union Station, walking along side of the Street by myself, and passing by the Garage of the United States Dept. of Labor, on 3rd Street, N.W. there was standing outside the door the Police man   Badge  who remarked about my looks, with my hair do, insultingly calling me crazy, provoking and assaulting me with a sprayed yellow liquid, over the left side of my face, head and neck, forcing me to spitting out saliva, the taste was sour. I told Him to mind his own business, and I continue walking; when He follow me, jumped over me grabbing me from the back of my neck, pushed me toward the wall twisted my arm at the same time. using insulting words and saying I was under arrest for spitting at Him. He called on the radio.

I told Him, that He was provoking, insulting, and violating my Civil Rights.

He continuo to push me into the Garage, dragging me inside and locked the automatic gate, leaving me inside with Him. He kept saying I was crazy and that I was under arrest, refusing to let me write down His name and badge number, which I manage to do.

Then a Policewoman arrived, She released me and let me go, and told him to let her handed the situation.. "He said to the Policewoman= But She took my name and number."

I left the place and to the Union Station where I made a call to the F.B.I., telephone number 202-324-3000 Washington Field. and reported the incident. The Agent on Duty told me will pass the information to His superiors,

It was a horrible experience, I felt so miserable and helpless, for this is a violation and invasion on my Civil and Human Rights, by the United States of America Law.

If the Law and Order continue assaulting me, to whom I shall ask for justice, and Why this continuous harassment from the Police?

I made this affidavit of my own, everything I wrote is true, so help me God

W.), Washington, D. C. (WDC), she was insulted by a police officer who called her crazy, and after she made attempts to defend herself she experienced a liquefied sensation on the side of the face as if someone had sprayed some type of solution at her.

Picciotto requested to be interviewed by a FBI agent regarding her complaint and at that time provided her home address as 1439 N Street, N. W., WDC.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/7/78

CONCEPCION M. PICCIOTTO was advised of the identities of the interviewing agents and the nature of the investigation. She was also advised that any information provided by her may be used in a court of law. She therefore declined to furnish a signed statement regarding her complaint, however, voluntarily provided the following oral information:

On November 19, 1978, at approximately 1:30 p.m. she was walking on the sidewalk in the vicinity of the Union Train Station, near the United States Department of Labor garage, 3rd and D Street, Northwest (N. W.), Washington, D. C. (WDC) carrying two pieces of luggage. She was dressed in casual clothes, and was wearing an extremely large black wig on top of her head. As she passed a police officer, who she later identified as [redacted] Badge Number [redacted] organization unknown, he made a comment directed at her to the effect that she was a crazy woman and laughed at her. At this time she told the officer to "mind your own business". At this moment she experienced a liquefied sensation on the side of the face as if the officer had sprayed or thrown some liquid at her. The sensation momentarily took her breath and what appeared to be some type of liquid had a sour taste. She immediately spit on the ground and towards the officer at which time he detained her and advised her that she was under arrest. He took her inside the garage and then called a female officer to the scene. The female officer arrived a few moments later and immediately took charge of the situation. PICCIOTTO could not provide the female officer's name. She was subsequently released at which time she continued walking toward the area of the Union Train Station where she used a pay telephone to notify the Federal Bureau of Investigation (FBI) of her civil rights complaint.

b6  
b7C

PICCIOTTO further advised that she did not see the officer use any type of weapon, nor can she positively say that the liquid sensation she experienced definitely came from the officer.

Interviewed on 12/1/78 at Washington, D. C. File # WFO 44-1172  
by SAs [redacted] and [redacted] :sac [redacted] Date dictated 12/1/78

b6  
b7C

WFO 44-1172

She did not seek any medical attention at that time, nor can she attribute any complications or discomfort to the incident in question.

The basis for her civil rights complaint is that she feels people's rights are constantly being violated in this country, and something should be done about people in general calling her crazy.

She further advised that she constantly calls the local police department and other agencies complaining about her civil rights, but that she never sees any results.

During the interview she complained to interviewing agents that there were invisible gases and fumes coming out of the pipes in her apartment. She said these fumes are a classic example of how the Mafia had intensified its efforts to get her.

During the interview she also wore the same wig she was wearing on the date that she initiated her civil rights complaint. This wig was extremely large and covered the entire top of the head (approximately eighteen inches in diameter). She advised that she constantly wore this wig to conceal a rash located on the top of her head and forehead which was caused by fumes and gases. She was also unable to wash, cook and eat because of the ever present conditions.

I AM A VICTIM OF A CONSPIRACY BY MY HUSBAND, HIS FRIENDS AND HIS POWERFUL LAWYER, WHO HAS DISTRIBUTED MY PICTURES UNDERWORLD MANNER... THERE IS MONEY INVOLVED FOR WHOMEVER WILL BE ABLE TO "DRY ME OFF". I AM UNDER CONTINUOUS HARASSMENT AND TORTURE FROM BEING SPRAYED WITH CHEMICALS, ALL SORTS OF GAS MACE AND FUMES, DAY AND NIGHT, THAT BURNS, BLINDS AND PARALIZES A PERSON, POISONS THE BLOOD, CHOKES AND BURNS MY LUNGS AND BODY. ALSO IT IS AN INVASION OF PRIVACY FOR I AM UNDER CONSTANT SURVEILLANCE. IT INTERFERES WITH MY WORK AND DAILY LIFE, THAT INCLUDES MY MAIL, RUINS MY WORDROBE. THE PURPOSE OF THE CHEMICALS IS TO BURN MY BRAINS, TO MAKE ME CRAZY AND MAKE BELIEVE IT IS A PARANOID, IN ORDER TO COVERUP THEIR ILLEGAL ACTIVITIES THAT INVOLVED MANY PEOPLE IN MY CASE, SUCH AS DOCTORS, POLICE, JUDGES LAWYERS ETC. A SILENCE NEAT CRIME, NO BLOOD SHEAD, NO WEAPONS, NO WITNESS, ONLY THE KILLER AND THE VICTIM....

DO YOU REALIZE HOW MANY INOCENT PEOPLE LIKE ME ARE VICTIMS OF THIS TYPE OF CRIME, WHO PROBABLY DID NOT HAVE THE CHANCE TO SPEAK OUT OR DON'T DARE TOO.

MY CRIME, IS THAT I DO NOT AGREE WITH MY HUSBAND'S BEHAVIOR REGARDING OUR RELATIONSHIP IN OUR MARRIED LIFE AND HIS PECULIAR BEHAVIOR WITH A MALE FRIEND, FOR THAT HE CALLED ME A "DEAD WOMAN" HE ASSAULT ME SEVERAL TIMES, AMONG OTHER INJURES, HE BROKE MY EAR DRUM FROM A BLOW OF HIS FIST. HE REFUSED TO PAY ME SUPPORT MONEY OR COMPENSATION FOR MY BROKEN EAR DRUM WHICH I CAN NOT EFFORT MEDICALLY TREATY.

I DID AND STILL DO, TRY TO SETTLE MY CASE AT THE COURTS TO PROTECT MY RIGHTS AS A WIFE AND MOTHER OF FOUR YEAR OLD GIRL WHOM I AM NOT ALLOWED TO CUSTODY OR VISIT, AS WELL TO ENTER MY OWN APARTMENT, BECAUSE OF THE LUCK OF JUSTICE AND HUMAN RIGHTS IN THE CURTS, WHERE JUSTICE IS BOUGHT AND SOLD, IN AN OPEN MARKET. I HAVE NOT INTENTIONS TO CONTINUE IN THIS PAIN AND AGONY. I AM SPEAKING OUT ALRIGHT, FOR NEWSPAPERS, TELEVISION OR RADIO STATIONS, REFUSED TO MAKE THIS CRIME PUBLIC, ALTHOUGH THEY TELL ME I AM DEALING WITH CRIMINALS... I AM A REAL WALKING "DEAD WOMAN", UNLESS THE LAW WILL HELP ME.

A  
CORRUPT LAWYER WHO WITH MY HUSBAND CONSENTED TO COMMIT ME ILLEGALLY, (FOR THEY HAVE USED BARBITURATE ON ME FIRST) TO A MENTAL INSTITUTION, OR LETS SAY PSYCHIATRY IMPRISONMENT, WITH INTENTIONS OF TRANSFERRED TO PILGRIN HOSPITAL, IN LONG ISLAND FOR INDETERMINATED PERIOD OF TIME... (THINGS DID NOT GO AS THEY PLANNED, AND I WAS DISCHARGED FROM KINGS COUNTY HOSPITAL, A MONTH LATER, AFTER A MINI-HEARING AT THE HOSPITAL COURT ROOM) IN HIS ATTEMPT TO COVERUP ILLEGAL ACTIONS HE HAS DONE, INVOLVING ARRANGEMENTS WITH THE IMMIGRATION SERVICE, CONCERNING A BABY THAT WAS BORN OVERSEAS AND THAT I BROUGHT INTO THIS COUNTRY, ( AND THAT WE GOT THROUGH A MIDWIFE, AFTER PAYING MATERNITY FEE AS THEY CLAME.) FOR THEY TOLD ME THEY HAD MADE ALL THE ARRENGEMENTS NECESSARY FOR THE ENTRY. FOR THAT [REDACTED] TOLD US IT WOULD COST A FIVE THOUSEND DOLLARS FEE. HE TOOK OUR THREE PASSPORTS AND THE BABY'S I.D. # I Speak Out For MY Human Rights

RELIGIOUS ORGANIZATION, CATHOLIC CHARITIES AND PUBLIC ASSISTANCE REFUSED TO AID ME, UNLESS I AGREE TO BE COMMITTEED TO A HOSPITAL OR DOCTOR FOR TREATMENT FOR BRAIN WASHING, SO I WILL FORGET ABOUT MY BABY.

MY HUSBAND, MEANWHILE WAS MAKING ALL THE ARRANGEMENTS TO BRING HIS BROTHER AND FAMILY FROM ITALY, AND THEY HAVE TAKEN POSSESSION OF MY APARTMENT, BELONGINGS AND OF COURSE, MY CHILD. HE LEFT ME HELPLESS AND IN POVERTY, WITH THIS TORTURE, AND THEY LIVE HAPPY EVERAFTER...

I NEED LEGAL REPRESENTATION URGENTLY. THE ATTORNEY I HAD HIRED, AFTER TAKING \$500.00 DOLLARS OF MINE, NEGLECTED AND DID NOTHING ON MY BEHALF, KEEPING ME WAITING FOR A LONG PERIOD OF TIME, OVER NINE MONTHS, AND THEN WITHDRAW FROM MY CASE AND KEPT THE MONEY. "LEGAL AID" AND LEGAL SERVICES" AS WELL AS THE AMERICAN CIVIL LIBERTIES UNION, WON'T TAKE MY CASE... NOT EVEN CATHOLIC CHARITIES, MY OWN RELIGION, WHO HAVE DESERTED AND IGNORE MY NEED. THEY MADE ME LOOSE MY FAITH AND RESPECT FOR THEM, FOR THAT I REGRETED BEING A CATHOLIC, FOR THEY HAVE THE POWER TO HELP.

WHY CAN'T I GET JUSTICE LIKE EVERYBODY, THIS IS NOT A WATERGATE CASE, OR C.I.A. GOD LORD. I BEG TO ANYONE WHO BELIEVES IN HUMANITY, TO INVESTIGATE THIS MATTER AND HELP ME TO SAVE MY LIFE AND FIGHT FOR MY RIGHTS AS A HUMAN BEING, INSTEAD OF TORTURE ME LIKE HITLER DID. FOR THEY ARE USING THE MOST SAVAGE METHODS OF TORTURE, PHYSICAL AND PSYCHOLOGICAL. ALL I WANT IS TO RESTORE MY LIFE AND HAVE MY CHILD BACK WITH SELFRESPECT, FOR THIS IS NOT ONLY DANGEROUS BUT ALSO A TERRIBLE HUMILLATION FOR ANY HUMAN BEING.

INDOORS THEY USE A SORT OF VIBRATION AIR CONTROL WITH VIDEO SYSTEM, A SORT OF ELECTRIC SHUCK.

JEWISH ARE COMPLAING ABOUT THE HORRORS OF HITLER AND RUSIANS, THEY ARE NOT BETTER THAN THEY, FOR THEY ARE USING THE SAME SAVAGE METHODS OF TORTURE OVER ME...

EVERY WORD I WRITE IS TRUE, SO HELP ME GOD. IT IS AGAINST MY WILL TO MAKE THIS PUBLIC, BUT THEY GIVE ME CHOICE

December 8, 1978

Mr. William Webster  
Director of the F.B.I.  
9th and Penn. Ave. N.W.  
Washington, D.C. 22043

Dear Mr. Webster:

I left New York, from Penn. Station on December 4, 1978 at 7p.m. on the Am Track train, "The Senator", on my way to Washington, D.C.

The trip was a nightmare, I was torture with electronic devices that produced electric shocks, over my head and body. This is not the first time it happened, it is all the time that I take public transportation and taxi cabs' but this night, was just unbearable, it is not just the danger on my health, but a horrible humiliation for a human being.

I can not avoid the harassment from the public that gets in and out, but for the crew that are taking the liberty of using the public transportation for criminal activities, is something else.

The conductors, continuously are asking me my point of destination, and taking a closed look into my eyes, in sort of reserch... besides sarcastic jokes or remarks.

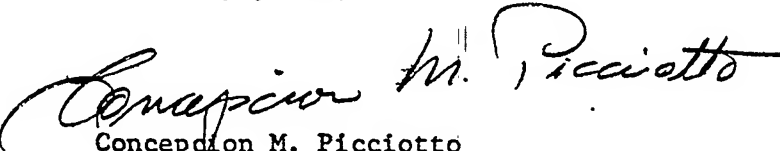

I shipped my luggage from New York, to Washington, D.C. with my Ticket and at the time of picking it up, the suitcases are bursted and the locks are broken, my clothing with stains etc...

I can not tolerated it any more, for this is a violation and invasion on my Civil and Human Rights, that only the United States Justice, who presume of been the most concern on Human Rights all over the world, can demand and enforce justice.

Because I still believe in American Liberty, Freedom and Justice for All, and the reputation of your integrity, I am appelling to you by taking an immediately action on this matter.

I wish you all the health and the strenth and success in your many hard tasks.

Sincerely yours,

I was on my way to the Union Station, walking along side of the Street by myself, and passing by the Garage of the United States Dept. of Labor, on 3rd Street, N.W. there was standing outside the door the Policeman   Badge , who remarked about my looks, with my hair do, insultingly calling me crazy, provoking and assaulting me with a sprayed yellow liquid, over the left side of my face, head and neck, forcing me to spitting out saliva, the taste was sour. I told Him to mind his own business, and I continue walking; when he follow me, jumped over me grabbing me from the back of my neck, pushed me toward the wall twisted my arm at the same time, using insulting words and saying I was under arrest for spitting at Him. He called on the radio.

I told Him, that He was provoking, insulting, and violating my Civil Rights.

He continue to push me into the Garage, dragging me inside and locked the automatic gate, leaving me inside with Him. He kept saying I was crazy and that I was under arrest, refusing to let me write down His name and badge number, which I manage to do.

Then a Policewoman arrived, She released me and let me go, and told him to let her handled the situation. "He said to the Policewoman= But She took my name and number."

I left the place and to the Union Station where I made a called to the F.B.I., telephone number 202-324-3000 Washington Field. and reported the incident. The Agent on Duty told me will pass the information to His superiors,

It was a horrible experience, I felt so miserable and helpless, for this is a violation and invasion on my Civil and Human Rights, by the United States of America Law.

If the Law and Order continue assaulting me, to whom I shall ask for justice, and Why this continuous harassment from the Police?

## EL PATÉTICO Y EXTRAÑO CASO DE UNA MUJER PERSEGUIDA DE NUEVA YORK A MADRID, HUYENDO

**S**E presentó en nuestra redacción una joven señora, pequeña, delgada, que lleva sobre su cabeza una peluca gigante, cubierta con un pañuelo estampado, por lo que llama la atención de quien la ve. Se trata de doña Concepción Martín de Piccioto, natural de Santiago de Compostela, criada en Vigo, y naturalizada en los Estados Unidos. Viene a contarnos su problema, una historia que parece un relato del genial mago del «suspense» Alfred Hitchcock.

Nos dice que su vida está en peligro, que está siendo víctima de una conspiración por parte de su marido, Gaetano Piccioto, siciliano, perito industrial de una importante empresa neoyorkina de los amigos, y abogado de su esposo, quien distribuyó fotografías de ella en el bajo mundo del crimen organizado, cuyos elementos la tienen en continua vigilancia y sometida a tortura, de día y de noche, echándole sobre su cabeza y su cuerpo, con un «spray» MACE, un gas compuesto de ácidos químicos, sin oxígeno, que paraliza, poco a poco, envenena la sangre, seca los pulmones y afecta al sistema nervioso:

—Me están produciendo una muerte lenta —dice— con esta tortura continua. Invasión y violan mis derechos humanos y civiles. Todo esto se debe a dos razones: encubrir las actividades ilegales realizadas sobre los trámites de emigración de una niña que yo obtuve de una comadrona en la Argentina, a las dos horas de su nacimiento, previo pago de mil dólares, para gastos de maternidad, según me dijeron; la otra razón es mi oposición al comportamiento de mi marido en nuestra vida íntima y sus actividades homosexuales con un amigo. Esto es todo lo que ha desencadenado sobre mí la conspiración que estoy padeciendo.

### DROGADA E INTERNADA EN UN PSIQUIÁTRICO

—Lo que estoy haciendo conmigo —sigue diciendo— es un crimen bien organizado y limpio, en el que no hay derramamiento de sangre visible; no existen armas de fuego, no hay más testigos que la víctima y el criminal cobarde que no se enfrenta. Afecta a mi vida cotidiana de trabajo y vivienda. Pagan a los patrones y dueños de casa, que me tienen como un conejo de indias, en completo silencio.

Nos explica seguidamente sus fallidos intentos de conseguir la adopción de una criatura, primero a través de una

agencia de Nueva York, sin resultado positivo, tras un año de espera; luego por medio de solicitudes a España, Italia y

Canadá, que fracasaron y por fin el logro de sus deseos y afides:

—A continuación se originaron una serie de problemas económicos. Un médico de la embajada norteamericana, a quien le habíamos pedido que nos consiguiera una criatura, vino a ofrecérmola, cuando ya teníamos la nuestra y no la aceptamos, pues sólo queríamos tener una. Mejoré por no haber podido hacer su «negocio» ese médico, nos denunció acusándonos de haber comprado a la niña, que yo había logrado introducir en Norteamérica sin documentos.

Continuando con su relato, la señora Piccioto, dice que, por dicha denuncia aquella gente cogió miedo y hubo una serie de atentados contra la niña, que ella protegió y salvó a costa de exponer su propia vida.

—Y ahora soy yo —afirma— la víctima de persecución y difamación por el abogado de la empresa en que trabajo mi marido, que se comprometió a arreglar los trámites de emigración de la niña, por cinco mil dólares, pero que al ver la inestabilidad de mi matrimonio, se puso de acuerdo con mi marido para eliminarme, valiéndose, al principio, de drogas y barbitúricos, que me administraban ya en las comidas, ya en mis horas de sueño.

Hace referencia a cómo acusó todo su organismo el efecto de las drogas; se sentía como fuera de este mundo, cansada, adormecida... Hasta que un día.

—Con engaños, diciéndome que, por mi estado de salud, era aconsejable que me hicieran un chequeo, y me sacaron

Doña Concepción de Piccioto

**LLEVA UNA PELUCA GIGANTE PARA PROTEGER SU CABEZA DE UN GAS QUE LE ECHAN**

de mi casa para ingresarme en un hospital psiquiátrico, por tiempo indefinido, con el propósito de llevarme luego a otro, donde sería sometida a tratamientos que acabarían por volverme loca. Pero Dios me ayudó y esta trampa les falló, pues a los quince días de mi ingreso, fui dada de alta, por falta de pruebas y evidencias de desequilibrio mental.

### ACUSADA DE ABANDONO DE FAMILIA

Mientras estaba en el hospital, el señor Piccioto, denunció a su esposa por abandono de familia (según ella asegura), con lo que quedaba privada de todos sus derechos. También gestionó con Emigración el traslado de su hermano y su familia, desde Italia a los Estados Unidos, y cuando llegaron les instaló en su apartamento, tomando posesión de todo cuanto contenía, muebles, joyas, efectos personales, incluso la niña adoptada.

—A mí me dejaron en la calle —se lamenta nuestra visitante—, en el más absoluto abandono y pobreza, comenzando después esta terrible tortura del «spray» MACE, con el que era atacada por cualquiera en la calle y hasta dentro de la casa en que viviera. Me han rociado con ese gas sobre la cabeza, en las manos, en los pies y hasta en mis partes íntimas. Al principio me puse una peluca normal, pero el gas la traspasaba y he tenido que ir aumentando de volumen esta protección para mi cabeza.

Se echa para atrás su enorme peluca y nos muestra parte de la cabeza, casi sin pelo, con el cuero cabelludo enrojecido, así como una franja de unos tres centímetros en la piel de la frente y los lados del rostro.

—Tengo los pies muy delicados; me han sangrado mucho por los dedos y las uñas de las manos, se me han quemado —añade—. He acudido en busca de ayuda y justicia a las autoridades... Pero no la consigo. Hay mucha gente envuelta en mi problema, médicos, policías, abogados...

Durante más de dos años, esta atormentada mujer ha desarrollado una extraordinaria actividad para dar a conocer lo que la ocurre en todas partes. Así lo expone:

—Apelé al Capitol Hill, senadores, miembros del Congreso, F.B.I., estaciones de radio y televisión, redacciones de periódicos, sin ningún resultado. Me dicen que estoy en manos de criminales. El mismo resultado he obtenido en la American Civil Liberty Union, organizaciones feministas, colegios y universidades de Derecho Legal. Ningún abogado quiere tomar mi caso. Las organizaciones religiosas se niegan a escucharme, particularmente la católica, por lo que me han hecho perder todo el afecto y respeto que sentía por la Iglesia. Verías veces me dijeron que me prestarían ayuda, si me sometía a un tratamiento de lavado mental, para olvidarme de la niña, y no me presentaba en público.

Ha escrito cinco cartas certificadas al presidente Carter, sin haber recibido respuesta alguna y se pregunta:

—¿Por qué tanta obstinación en negarme ayuda y negarme la justicia?... No tengo ningún caso de «Watergate» o C.I.A. ¿Por qué no me ayudan los Tribunales?... Cuando, siendo Príncipes de España los Soberanos españoles, visitaron Nueva York, yo pude llegar hasta doña Sofía y le pedí ayuda también, entregándole unos papeles, en el Waldorf Astoria, pero vi que se los quitaron de las manos personas de su séquito. Yo quisiera que ahora, la reina me recibiera en audiencia. ¡Ojalá lo consiga!

Ha llegado a España, refugiándose en una céntrica y modesta pensión, hace pocos días, pero nos dice que ya ha sido localizada por sus enemigos, que insisten en arrojarle el peligroso gas y está atemorizada, no se quita la gran peluca ni para dormir.

—Vengo a ustedes —termina diciendo— para hacer un llamamiento a los Tribunales internacionales de derechos humanos, a fin de que hagan una investigación sobre mi caso y me ayuden a conseguir la dignidad y el respeto que merezco... Si al presidente Nixon se le llevó a los Tribunales, ¿por qué yo no tengo justicia?... Se me ha negado entrar en mi casa, se me niega ver a la niña, la Policía no me ampara... Solamente encuentro obstinación con el propósito de hacer creer al mundo que padezco manía persecutoria, para así cubrir sus crímenes.

Termina su visita con este ruego:

—Suplico a todo el que tenga un poco de humanidad e integridad, que me apoye en mi justa y humana causa de demanda de ayuda y de justicia.

En su incesante campaña para conseguir ayuda, la señora Piccioto distribuye diversas hojas impresas, en las que expone su angustiosa situación. En ésta que nos entrega aparece la caricatura del abogado de su marido, a quien acusa de estar aliado con él.

# U.S. Denigration Of Freedom

Shortly after that, Attorney [redacted] advised me to go to the Immigration and Naturalization Service and tell them the true story of how I obtained the baby through a midwife and payed what they called Maternity fee. [redacted] said, "That will be the only way you will get your child back," and "The immigration will deport the baby, since your husband won't dare to leave that house, you will have to take the baby out of the Country; therefore you will get her back." Following his instruction, [redacted] and I went together to the Immigration Office in Brooklyn, we spoke with [redacted] an agent assigned to the case. He wrote an affidavit for me to sign and told me that my husband had already been there and made a statement about the baby's origin. They assured me that this will be the only way that I would get my child back. [redacted] also said, that [redacted] the lawyer, plan was to get rid of me, then they will destroy the baby's files and there will be no case.

b6  
b7C

While I was there, I saw [redacted] rush into the office. They all had a private conversation. How [redacted] learned that I was there, I do not know....

b6  
b7C

In 1976 I hired [redacted] attorney of [redacted] New York, who accepted \$500.00 dollars fee for Judiciary Decree of Separation and Custody.

b6  
b7C

After a long period of time, (about nine months) and did nothing on my behalf, he made a Motion to the Court to withdraw from my case using false statements. He kept the money and left me without representation.

Justice M.B. Stecher of the Manhattan Supreme Court, 60 Center Street, New York, N.Y. did want to go on with the trial, I request that the Court appoint a lawyer to me, they refused. I managed to get a letter from Cecil L. Piltz, attorney, (who was recommended to me by the Spanish consul) demanding the Court to assign an 18B attorney to represent my case.

b6  
b7C

Justice Martin B. Stecher appointed [redacted] attorney of [redacted] New York, N.Y. 10036. Unfortunately he did not help me, for Justice M.B. Stecher after a "MOCK" hearing and distortion of Justice, dismissed my case following the steps of the previous Family Court left me helpless....

b6  
b7C

[redacted] concern was not to allow the Files to leave the Court room and asked Justice Stecher not to let anybody but him decide. Justice Stecher assured him not to worry about it.

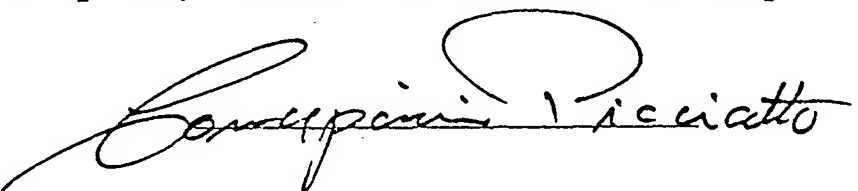

I attempted to go through the Files in order to know what the charges are against me. But the File Clerk denied me the right, by saying to me that only lawyers had access to them.

The whole thing is an obstruction of justice, conspiracy and manipulation by "THE LORDS OF THE BENCH".

Since then I am in an intensive Struggle for Justice unsuccessfully, for Legal Aid or Legal Services, Religious Organizations or Government Office will not assist me.

Where is that "FREEDOM LIBERTY AND JUSTICE AND HUMAN RIGHTS" that the United States of America presumed to be NUMBER ONE, WORLD WIDE.

I am making this affidavit of my own, "TRUTH IS MY SWORD." So Help me God.

# 'A Woman Going Through Torment With Her Last Cry for Help': 'A True story writ in blood

I, Concepcion Picciotto, mailing address, P.O. Box 4931, Washington, D.C. 20008 do solemnly swear, depone and say that my alibi is that I am a victim of conspiracy by [redacted] and

[redacted] Attorney, who alleged (with my husband's consent on or about February 16, 1975 to commit me to Kings County Hospital psychiatric ward, in Brooklyn, New York, N.Y. against my will and under my protest (using barbiturants on me) with the intention of transferring me to the State Pilgrim Hospital on Long Island, New York, for an indefinite period of time, violating and invading my Civil and Human Rights.

I was discharged a month later by the Hospital Administration after a mini-hearing at the Hospital Court Room, I was represented by [redacted] [redacted] Attorney of New York, telephone number, [redacted]

[redacted] New York, N.Y. signed for my husband who refused to take me home and insisted in transferring me to the Pilgrim Hospital for psychiatric treatment. He said, and for that he called me "a dead Woman."

Since then I have been under a continuous harassment of torture by being chased from jobs and housing by being sprayed with poisonous gases and electronic devices that burn my body and lungs.

My husband who has assaulted me and broke my eardrum, refused to pay me financial support and has brought his brother and family from Italy, and they took possession of my child, my apartment and belongings that took me years of hard work to build up what I had, all my dreams and future plans for my baby ....

As for [redacted] who said that I will get nothing of mine and that I was to be "dried off," together with [redacted] and [redacted] both lawyers from the New York Society for the Prevention of Cruelty for Children, 110 East 71st Street, New York, N.Y. 21.

The lawyers [redacted] and [redacted] were brought to the Court at [redacted] request. They tried to persuade me to sign papers for a Santo Domingo Divorce, which I refused.

Today I am physically killed in the United States by lack of Justice and Misrepresentation at the Courts, where Justice is bought and sold in an open market, by the use of false statements and defamation of my integrity, and where my word has no value. Their Goal is to send me back to a Mental Institution permanently. As for the lawyer

[redacted] told [redacted] attorney of [redacted] [redacted] telephone number [redacted] that he, [redacted] had made every effort to have me deported from the United States, but he had failed and that he was the one who committed me to the Hospital and that he still tries. I do have recorded tapes with [redacted] conversations, which I took with me to the Family Court, where Justice Nannette Dembitz of Manhattan Family Court refused to listen to, as well as to accept documents that I handed on my behalf, the Attorney [redacted] I had hired and paid the amount of \$200.00 dollars fee, did not open his mouth at all, or do any objecting.

Justice Dembitz ordered the guard to escort me out of the Court Room for no reason, saying at the same time "Please take her out of the room, people like her (using a very contemptuous voice) are not aware of their sickness." [redacted] the lawyer, said, "But Your Honor, she writes letters to everybody." Justice Dembitz responded, "Let her write, she may become a writer." I was escorted out of the Court Room.

I waited outside, while they remained in the Court Room. The result few days later, I received in the mail an order of protection for my husband, prohibiting me from entering my own apartment, awarding custody of my daughter to my husband, denying me the Rights of visitation, no alimony or support, not any of my household belongings and property, etc. etc.

At 2 p.m., November 19, 1978, victim telephonically advised Washington Field Office (WFO) of the Federal Bureau of Investigation (FBI) that while walking in the area of the Union Train Station, 3rd and D Street, Northwest (N. W.), Washington, D. C. (WDC), she was insulted by a police officer who called her crazy, and after she made attempts to defend herself she experienced a liquefied sensation on the side of the face as if someone had sprayed some type of solution at her.

Picciotto requested to be interviewed by a FBI agent regarding her complaint and at that time provided her home address as 1439 N Street, N. W., WDC.

Several attempts were made to locate Picciotto at the address she provided with negative results. Finally on December 1, 1978, Picciotto was located in a basement apartment located at 1451 N Street, N. W., WDC. She was subsequently interviewed regarding her civil rights complaint and hereafter provided the following information as set forth in a FD 302.

ENCLOSURE

April 9, 1981

Mr. William Webster

Director of Federal Bureau of  
Investigation

Hubar Bldg. Penn, Ave. And 9th St. N.W.

Washington, D.C.

My name is Concepcion Picciotto. I am an American citizen living in the United States since 1960. Originally I came from Spain.

I am not a communist, spy or revolutionary, or engaged in any illegal activities.

Why am I being brutally tortured and continuously assaulted with chemical radiation warfare by the U. S. Government officials and C. I. A. who keep me under continuous electronic surveillance and torture?

This is the most vicious perverted barbarism in the U. S. soil. A bloody silent crime.

It is an invasion of my human rights, or rather human slaughter.

Being chased interferes with my daily life, preventing me from making my living, pushing and forcing me into the streets (like the "gladiators into the arena") without any social assistance, going through horror and terror. Also it forces me to masquerade for my own protection, suffering public humiliation. All this I blame on the corrupted U. S. system!

By doing so, they also deny and deprive the rights of a child that grows up asking what happened to her mother, the love and tender care of the one she would love to hug and kiss, share her pleasures and dreams as well as her sorrows.

All of this has been taken away from both the child and the mother, by the corrupted U. S. political system.

What answer will you give to that child? What does she know about political corruption. This is something she will regret about the U. S. A. when she will fully aware of the facts; unless someone will amend such horrible miscarriage of justice.

Now is the time you can impose and enforce justice in our courts.

For God's sake and the national pride, end this pain and agony of a living and breathing human being.

Does the Lord allow you to slaughter a human being?

May the Lord bless you and your loving ones.

Respectfully submitted,

SUMMARY

4/14/81

Claimed her human rights were violated by United States officials and the C.I.A. through the use of "continuous electronic surveillance and torture." Said she was forced into the streets as a result of a divorce settlement which denied her the right to visit her child. Enclosed pictures of her body which seems to be beaten. Alleged in a newsletter, the FBI and ACLU threw her out of their doors as soon as she entered.

## Smith Forms Panel to Probe Violent Crime

By Kenneth R. Walker  
Washington Star Staff Writer

Attorney General William French Smith yesterday announced the creation of a task force to recommend new ways for the federal government to become involved in the fight against violent crime.

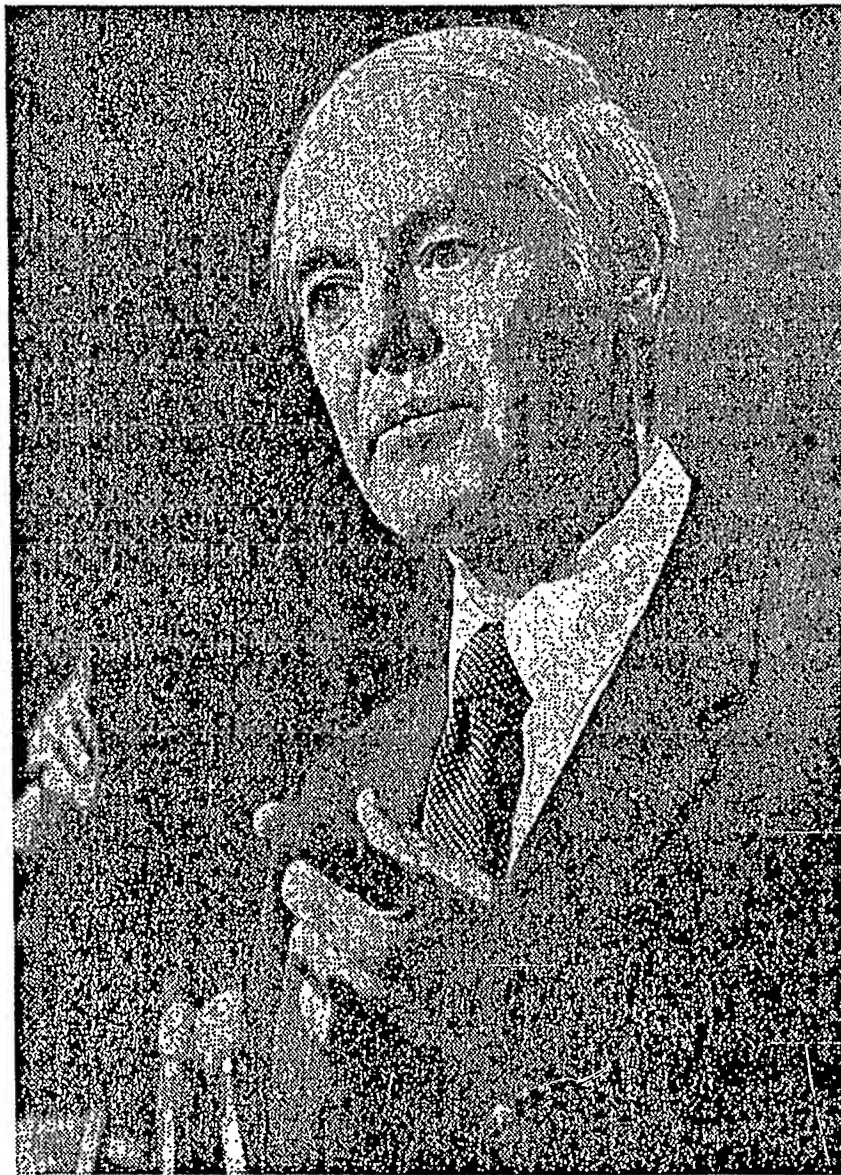

Citing "an alarming and continuous" increase in such crime, Smith said he created the task force because there had been "no comprehensive examination of the federal role in this area for many years."

Since his Senate confirmation hearings, Smith has identified the fight against violent crime as his top priority.

"The climate of crime today makes such a review necessary," Smith said at his first press conference since becoming attorney general. He said 30 percent of the nation's households were touched last year by serious crimes, including murder, robbery, rape, burglary, assault and thefts. Crime rose 60 percent during the 1970s and grew 10 percent nationwide last year, Smith added.

"The alarming and continuous increase in the commission of violent crimes raises a serious question whether the federal government is doing enough to meet its obligations to ensure domestic tranquility," he added.

Griffin Bell, who served as attorney general under President Carter, and Illinois Gov. James Thompson, a Republican and former federal prosecutor, were named co-chairmen of the task force. The panel, which will also include academics and a local police chief and public defender, will report within 60 days on what the federal government can do within existing law, resources, and federal-state prerogatives.

ney general under President Carter, and Illinois Gov. James Thompson, a Republican and former federal prosecutor, were named co-chairmen of the task force. The panel, which will also include academics and a local police chief and public defender, will report within 60 days on what the federal government can do within existing law, resources, and federal-state prerogatives.

Smith said the second phase, to be completed by mid-summer, will include recommendations for legislation and spending levels.

The task force also will review whether the FBI and the departments of State and Treasury should become more involved in the fight against drug trafficking. Smith said he believed the "emphasis" on violent crime would not detract from existing programs against organized and white-collar crime, which had been the priorities of the Carter administration's enforcement efforts.

On matters relating to civil rights, Smith said his department is studying a request by Sen. Strom Thurmond, R-S.C., to review school desegregation cases filed by the Car-

ter administration after the November election.

Smith also announced that he would not continue the practice of his two immediate predecessors, Bell and Benjamin Civiletti, of making public his meetings and telephone contacts with persons outside the Justice Department. "I think that was part of the Watergate over-reaction and not an appropriate way to disseminate information," Smith said.

He said that because the public logs of meetings and phone calls did not describe the subject matter, reporters and citizens had no way of knowing whether they involved serious business or the setting of a date for a golf game.

"There are a lot of things (reporters) should know, and some things we'd not want to disclose," he added.

The logs were established by Bell and continued by Civiletti in reaction to disclosures during Watergate that top Justice Department officials had relayed details of the Watergate case to President Nixon, and had also met with corporate executives on pending antitrust litigation.

On another matter, Smith vowed to stay out of any case involving

Frank Sinatra, with whom he has been friends. Smith declined to say whether the singer was linked to any federal investigation, but said he would remain out of any Sinatra-related inquiry to avoid the appearance of a conflict of interest.

"If anything should develop which involved this particular individual or any other individual similarly situated, I would just not have any participation of any kind," Smith said.

Sinatra, who orchestrated an entertainment gala for President Reagan's inaugural, has been linked to a federal investigation of New York's Westchester Premier Theater. The grand jury looking into the case recently expired.

Smith's top spokesman, Tom DeCair, said the attorney general had not seen any Justice Department files on Sinatra and had not been informed of developments in the Premier Theater case.

It was disclosed last week that Smith, acting as Reagan's personal lawyer months before the election, told Nevada gaming officials that Reagan could not act as a business reference for Sinatra.

## *Terrible Nightmare of The Hunted WOMAN*

### U.S. Government Elements Conspire THE TRUTH THAT SHOCKS

Washington is first and foremost a political town. As such, the gap between those supporting the political machine and those opposed is often glaringly at odds. Washington is not a fable, nor are many upbeat tunes composed in its honor. The city is distinct in that it respects a certain concept: that of freedom of speech.

Scores of demonstrations have passed through the capital over the years. As a rule, renegade Americans are roped into the mall or area adjacent the Washington Monument. An occasional lone person recognizes the futility of confining protest and takes their grievance to the street.

Conformity has a high priority in Washington. To those who have accepted and come to overlook this bland formality, the sighting of Concepcion Picciotto is a refreshingly unusual sight. Her name is not a household word, her story not splashed across morning dailies. Yet Dona Picciotto, by force of her statement alone, deserves attention. In a time where discontents are encouraged to write their congressmen, Concepcion Picciotto, having tried this and failed, has chosen to present her case directly to the people.

A woman has been seen walking the streets of Washington wearing a huge wig. In her hand is a sign detailing the horrors she has experienced. Words such as NAPALM, TORTURE, HITLERS, RADIATION, inevitably catch the eye of the passerby. Many are wont to ask after this woman. Who is she? Why the wig? What conditions have led her to - this? Those who have stopped to inquire as to her purpose, her reason for the masquerade, are struck by the discrepancy between the brutal language on the placard and the words the woman speaks.

Dona Concepcion Picciotto has been singled out. Circumstances have seen to it that her life be one of unending protest. This whirlwind of activity is no pointless dramatization, but one from which she hopes to see results.

Concepcion Picciotto is a Spanish-born, naturalized American citizen. Her marriage to [REDACTED] was doomed from the start. In the midst of divorce proceedings a concerted agreement at destruction was reached by her husband and the courts. Dona Picciotto, as a result, received less than fair treatment under the law. What she did receive was abuse in the form of (a) no right of entry into her home, (b) no right to possess what had been her possessions, and (c) no visitation rights with her child. This denial has, for the past three years, been rigidly enforced. Dona Picciotto, quite understandably, is enraged: "Why me? I have done nothing wrong. What is so special about me that everyone wants my destruction?" These questions, like the resonant echo of a paranoid mantra, have come to enter and possess her very being. She is obsessed with her predicament, just as we are with ours.

b6  
b7c

It is possible to retrace favorable aspects of American History through the cinema. In a darkened theatre we pay our fare and Meet John Doe or watch as Mr. Smith Goes To Washington. By effortlessly dropping our preconceived notions of what is real and what is not, we grow absorbed in the tale before us. These cinematic creations, these fantasy rebels who, by strength of their argument and thoroughness of their reasoning, forced the people in power to stop and listen, are Concepcion Picciotto's forebears. Granted, her means of expression

is outlandish, yet this outlandishness is all the more appropriate to the time in which we live. Whereas the isolated, solitary activist of yesteryear stood on a soapbox with his oratory, Dona Picciotto sports a monstrous wig in defiance of police, reasonable behavior, and her own natural intelligence..The scales of justice may be blind, but we are not.

Concepcion Picciotto asks that she be heard, as well as seen. Although her extravagances are likely to raise eyebrows and cause tongues to wag, it is difficult to conscientiously banish her image from one's mind. Whatever pacifists reason over protest and behavior which does not conform, Concepcion is enough like each of us to consider taking an interest in her. Newspapers, TV and radio stations are intrigued by her, but inevitably balk at greater distribution of her story. The FBI and ACLU have received her, only to show her as quickly to the door through which she entered. Members of the House and Senate greet her with smiles and professional thugs who forcefully remove her from the surroundings. President Carter treats her registered letters the way normal people treat unsolicited junk mail. The Catholic Church, of which Dona Picciotto was a member, offered assistance if she agreed to brainwashing treatment. These institutions seem unanimously agreed in their unwillingness to assist a woman in need. The question that needs to be asked is: WHY?

Apart from being a breathing, thinking, feeling human being, Concepcion Picciotto is a potent representation of this period in the history of mankind. In a city laden with symbols she is of particular interest. By shunning mystique, she hides nothing: neither her torment, her displeasure with the way life turned out, or her treatment by officials in power. The courageous stand of this woman is to be admired; her solitariness and isolation to be feared; yet both these aspects ought be discussed. Ultimately, her problems are the government's problems, her complaints the complaints of us all. As she stands before the Goliath of rights denied, Concepcion Picciotto is the ideal archtypal lone figure for our time.

2.

BECAUSE I CANNOT HAVE CHILDREN FOR MEDICAL REASONS, AND WANTED TO HAVE A BABY, I FINALLY CONVINCED MY HUSBAND THAT WE SHOULD ADOPT ONE. WE WENT TO THE CHILDREN'S AID SOCIETY ON 45 STREET IN NEW YORK CITY, BUT AFTER OVER A YEAR OF WAITING, GOT NO RESULTS.

ON JUNE 15, 1973, MY HUSBAND TOLD ME THAT A FRIEND OF HIS COULD GET US A BABY FROM ARGENTINA IF WE HAD \$1000 FOR "MATERNITY FEES". WE FLEW TO ARGENTINA SHORTLY AFTER THAT (WITHDRAWING THE NECESSARY MONEY FROM OUR BANK ACCOUNT). AFTER THREE WEEKS IN BUENOS AIRES, WE BOUGHT A BABY GIRL FROM A MIDWIFE. A FEW DAYS LATER, WHEN WE WENT TO THE AMERICAN CONSULATE TO REGISTER THE BABY, MR.

[REDACTED] (CONSUL DEPUTY) WAS VERY ANGRY AND ASKED US MANY QUESTIONS. APPARENTLY, HE HAD RECEIVED AN ANONYMOUS NOTE SAYING THAT THE BABY WAS NOT LEGITIMATE. I BELIEVE THE NOTE CAME FROM A DOCTOR WHO HAD WANTED TO SELL US A BABY HIMSELF, AND WHO WAS ANGRY THAT WE WOULDN'T WAIT FOR HIM TO DELIVER ONE TO US (AND WHO WANTED MONEY FOR HIS SERVICES).

THE PEOPLE WHO HAD GOTTEN THE BABY FOR US THREATENED HER LIFE, BECAUSE THEY WERE NOW AFRAID THAT WHAT THEY'D DONE WOULD BE DISCOVERED. ALTHOUGH I PROTECTED THE BABY (THEY THREATENED TO KILL HER) IT WAS AT MUCH DANGER TO MY PERSON. IN FACT MY OWN LIFE WAS THREATENED WITH A GUN AT ONE POINT. I REMAINED IN BUENOS AIRES FOR THREE MONTHS (DURING WHICH TIME MY HUSBAND RETURNED TO THE USA) THESE THREE MONTHS WERE MOST FRIGHTENING, AND I WAS CONSTANTLY IN FEAR FOR THE BABY'S LIFE, AS MY OWN.

FINALLY MY HUSBAND CALLED AND TOLD ME TO COME BACK TO NEW YORK, WHERE EVERYTHING HAD BEEN ARRANGED. SURE ENOUGH, THE IMMIGRATION OFFICER MERELY ASKED FOR OUR PASSPORTS AND THEN LET US THROUGH (THE BABY AND MYSELF). A WEEK AFTER OUR ARRIVAL, MY HUSBAND AND I WENT TO A LAWYER, [REDACTED] AT [REDACTED] BROOKLYN, N.Y. HE SAID THAT FOR \$5000 HE WOULD ARRANGE

EVERYTHING WITH IMMIGRATION.

WE AGREED TO HIS DEMANDS AND GAVE HIM OUR PASSPORTS AND THE BABY'S ID BOOK (WHICH HE REQUESTED). WE THEN WENT TO A [REDACTED] AT THE IMMIGRATION OFFICE AT 20 WEST BROADWAY, IN NEW YORK, HE SAID THAT WE WOULD HEAR FROM HIM. HOWEVER, ALL CORRESPONDENCE WE RECEIVED FROM IMMIGRATION WAS FORWARDED TO [REDACTED] WHO WOULD POSTPONE THE CASE.

MY HUSBAND'S BEHAVIOUR, WHICH HAD ALWAYS BEEN PECULIAR, BECAME MORE BIZARRE AS TIME WENT ON. SOME TWENTY MONTHS LATER, WHEN HE WAS TAKING MAY PILLS WHICH A PHYSICIAN HAD GIVEN HIM, HE WOULD FREQUENTLY ACT VIOLENT AND IRRATIONAL ONE MORNING AN AMBULANCE CAME, MY HUSBAND HAD CALLED FOR IT, AND HAD ME SENT TO CONEY ISLAND HOSPITAL. I WAS KEPT THERE AGAINST MY WILL TILL LATER IN THE EVENING WHEN THEY TRANSFERRED ME TO KINGS COUNTY HOSPITAL UNDER MY PROTESTS AND AGAINST MY WILL. I WAS VISITED BY A [REDACTED] (A HOSPITAL LAWYER) WHO TRIED TO CONVINCE ME TO SIGN PAPERS FOR MY ADMITTANCE TO PILGRAM HOSPITAL ON LONG ISLAND (A MENTAL INSTITUTION). I REFUSED AND WAS EVENTUALLY RELEASED FROM THE HOSPITAL AFTER A MINI HEARING AT THE HOSPITAL COURT AND THE HELP OF MOTHER MARIA GARCIA OF THE CONVENT ON 251 WEST 14 STREET IN NEW YORK CITY. WHO SIGNED FOR MY RELEASE AND PUT ME ON THE PLANE TO SPAIN UNTIL THINGS WILL COOL OFF SHE SAID.

WHEN MY HUSBAND FOUND OUT I HAD BEEN RELEASED, HE CAME TO ME AND DEMANDED THAT I GO WITH HIM TO MY SAFE DEPOSIT BOX (WHICH WAS UNDER MY NAME ONLY) FOR HE HAD THE KEY IN ORDER TO KEEP ALL MY BELONGINGS, AND CALLED ME A DEAD WOMAN I WAS FRIGHTENED, AND AFTER REFUSING HIS DEMAND, ASKED THE NUN FOR HELP. I TOLD HER I WANTED TO FLEE BUT THAT I HAD NO MONEY. SHE GAVE ME MONEY, WITH WHICH I WENT TO SPAIN. ONCE IN SPAIN, I HAD A COMPLETE PHYSICAL EXAMINATION DR. IGNACIO GALDOS, HERNANI 4 IN SAN SEBASTIAN EXAMINED ME, AND TOLD ME THAT I HAD A BROKEN EAR DRUM (WHICH HAD BEEN CAUSED WHEN MY HUSBAND HAD STRUCK ME PREVIOUSLY). HE ALSO GAVE ME A WRITTEN STATEMENT ATTESTING TO MY MENTAL COMPETENCE, WHICH I HAVE HAD NOTARIZED. I CALLED THE NUN, WHO TOLD ME I SHOULD START A NEW LIFE AND NOT RETURN TO THE USA. SHE THEN SENT ME A LETTER WITH A BANK FORM ENCLOSED. I WENT TO THE AMERICAN CONSULATE IN BILBAO, SPAIN AND LEGALIZED HER TO HAVE THE POWER OF ATTORNEY SO THAT SHE COULD ENTER MY

3.

DEPOSIT BOX AND COLLECT MY BELONGINGS FOR ME. I TRAVELED TO CANADA, WHERE I STAYED WITH FRIENDS, THE CONSUL OF SPAIN IN OTTAWA. SHORTLY AFTERWARDS, I RETURNED TO NEW YORK. WHEN I CONTACTED THE NUN, SHE TOLD ME THAT MY HUSBAND'S LAWYER HAD CALLED HER. HE HAD TOLD HER NOT TO INTERFERE, AND DEMANDED THAT SHE GIVE EVERYTHING OF MINE FROM THE SAFE DEPOSIT BOX TO MY HUSBAND. SHE HAD GIVEN MANY OF MY BELONGINGS, INCLUDING A LOT OF JEWELRY MY LIFE INSURANCE POLICY AND MY BABY'S. I WAS UPSET AND ANGRY, BUT COULD DO NOTHING. A FEW WEEKS LATER, MR. [REDACTED] CALLED ME AND DEMANDED I SIGN PAPERS FOR A SANTO DOMINGO DIVORCE. I REFUSED AND SAID I WOULD ONLY ACCEPT A U.S. DIVORCE. BY THIS TIME, MY HUSBAND WAS REFUSING TO LET ME ENTER MY HOUSE OR SEE THE BABY.

BECAUSE OF THREATS ON MY LIFE I HAVE AGAIN BEEN FORCED TO FLEE. I HAVE NO MONEY FOR MEDICAL ATTENTION FOR MY BROKEN EAR DRUM, LITTLE MONEY TO SUPPORT MYSELF (MY HUSBAND CONTRIBUTES NOTHING DESPITE HAVING TAKEN MANY OF MY VALUABLES) AND HAVE BEEN ASSAULTED BY PEOPLE IN THE EMPLOY OF MR. [REDACTED] HE IS TRYING TO COVER UP THE ILLEGAL ACTIONS HE HAS DONE I CANNOT SEE MY BABY, AND FEAR FOR HER LIFE.

WHY CAN'T I GET JUSTICE LIKE EVERYBODY, THIS IS NOT A WATERGATE CASE, OR C.I.A. GOD LORD. I BEG TO ANYONE WHO BELIEVES IN HUMANITY, TO INVESTIGATE THIS MATTER AND HELP ME TO SAVE MY LIFE AND FIGHT FOR MY RIGHTS AS A HUMAN BEING, INSTEAD OF TORTURE ME LIKE HITTLER DID. FOR THEY ARE USING THE MOST SAVAGE METHODS OF TORTURE, PHYSICAL AND PSYCHOLOGICAL. ALL I WANT IS TO RESTORE MY LIFE AND HAVE MY CHILD BACK WITH SELFRESPECT, FOR THIS IS NOT ONLY DANGEROUS BUT ALSO A TERRIBLE HUMILLATION FOR ANY HUMAN BEING.

INDOORS THEY USE A SORT OF VIBRATION AIR CONTROL WITH VIDEO SYSTEM, A SORT OF ELECTRIC SHUCK.

JEWISH ARE COMPLAINING ABOUT THE HORRORS OF HITLER AND RUSIANS, THEY ARE NOT BETTER THAN THEY, FOR THEY ARE USING THE SAME SAVAGE METHODS OF TORTURE OVER ME...

EVERY WORD I WRITE IS TRUE, SO HELP ME GOD. IT IS AGAINST MY WILL TO MAKE THIS PUBLIC, BUT THEY GIVE ME CHOICE

CHASING AWAY FROM ROOMING HOUSES AND HOTELS.  
KEEPING ME IN THE STREETS, SO PEOPLE WILL

TO WHOM IT MAY CONCERN:

PLEASE, IF YOU ARE A PERSON WITH PRINCIPLES AND INTEGRITY,  
READ THIS, FOR MY LIFE IS IN DANGER AND MY SITUATION MOST DESPERATE.

I AM A VICTIM OF A CONSPIRACY BY MY HUSBAND, HIS FRIENDS AND  
HIS POWERFUL LAWYER, WHO HAS DISTRIBUTED MY PICTURES UNDERWORLD MANNER...  
THERE IS MONEY INVOLVED FOR WHOMEVER WILL BE ABLE TO "DRY ME OFF!". I AM  
UNDER CONTINUOUS HARASSMENT AND TORTURE FROM BEING SPRAYED WITH  
CHEMICALS, ALL SORTS OF GAS MACE AND FUMES, DAY AND NIGHT, THAT BURNS,  
BLINDS AND PARALIZES A PERSON, POISONS THE BLOOD, CHOKES AND BURNS MY  
LUNGS AND BODY. ALSO IT IS AN INVASION OF PRIVACY FOR I AM UNDER  
CONSTANT SURVEILLANCE. IT INTERFERES WITH MY WORK AND DAILY LIFE, THAT  
INCLUDES MY MAIL, RUINS MY WORDROBE. THE PURPOSE OF THE CHEMICALS IS TO  
BURN MY BRAINS, TO MAKE ME CRAZY AND MAKE BELIEVE IT IS A PARANOID, IN  
ORDER TO COVERUP THEIR ILLEGAL ACTIVITIES THAT INVOLVED MANY PEOPLE IN  
MY CASE, SUCH AS DOCTORS, POLICE, JUDGES LAWYERS ETC. A SILENCE NEAT  
CRIME, NO BLOOD SHEAD, NO WEAPONS, NO WITNESS, ONLY THE KILLER AND THE  
VICTIM....

DO YOU REALIZE HOW MANY INOCENT PEOPLE LIKE ME ARE VICTIMS OF THIS  
TYPE OF CRIME, WHO PROBABLY DID NOT HAVE THE CHANCE TO SPEAK OUT OR  
DON'T DARE TOO.

**SPEAK OUT!**

MY CRIME, IS THAT I DO NOT AGREE WITH MY HUSBAND'S BEHAVIOR REGARDING OUR RELATIONSHIP IN OUR MARRIED LIFE AND HIS PECULIAR BEHAVIOR WITH A MALE FRIEND, FOR THAT HE CALLED ME A "DEAD WOMAN" HE ASSAULT ME SEVERAL TIMES, AMONG OTHER INJURES, HE BROKE MY EAR DRUM FROM A BLOW OF HIS FIST. HE REFUSED TO PAY ME SUPPORT MONEY OR COMPENSATION FOR MY BROKEN EAR DRUM WHICH I CAN NOT EFFORT MEDICALLY TREATY.

I DID AND STILL DO, TRY TO SETTLE MY CASE AT THE COURTS TO PROTECT MY RIGHTS AS A WIFE AND MOTHER OF FOUR YEAR OLD GIRL WHOM I AM NOT ALLOWED TO CUSTODY OR VISIT, AS WELL TO ENTER MY OWN APARTMENT, BECAUSE OF THE LUCK OF JUSTICE AND HUMAN RIGHTS IN THE CURTS, WHERE JUSTICE IS BOUGHT AND SOLD, IN AN OPEN MARKET. MR. CARTER, THE PRESIDENT IS NOT AWARE OF WHAT IS GOING ON IN OUR NATIONS INTERNAL AFFAIRS. THAT WE, THE LITTLE PEOPLE ARE SUFFER AND TORTURE BY THE BIG POWERS. A FREE COUNTRY CANNOT RESEMBLE A CAGE. I HAVE NOT INTENTIONS TO CONTINUE IN THIS PAIN AND AGONY. I AM SPEAKING OUT ALRIGHT, FOR NEWSPAPERS, TELEVISION OR RADIO STATIONS, REFUSED TO MAKE THIS CRIME PUBLIC, ALTHOUGH THEY TELL ME I AM DEALING WITH CRIMINALS... I AM A REAL WALKING "DEAD WOMAN", UNLESS THE LAW WILL HELP ME.

[REDACTED] BROOKLYN, N.Y. A CORRUPT LAWYER WHO WITH MY HUSBAND CONSENTED TO COMMIT ME ILLEGALLY, (FOR THEY HAVE USED BARBITURATE ON ME FIRST) TO A MENTAL INSTITUTION, OR LETS SAY PSYCHIATRY IMPRISONMENT, WITH INTENTIONS OF TRANSFERRED TO PILGRIN HOSPITAL, IN LONG ISLAND FOR INDETERMINATED PERIOD OF TIME... (THINGS DID NOT GO AS THEY PLANNED, AND I WAS DISCHARGED FROM KINGS COUNTY HOSPITAL, A MONTH LATER, AFTER A MINI-HEARING AT THE HOSPITAL COURT ROOM) IN HIS ATTEMP TO COVERUP ILLEGAL ACTIONS HE HAS DONE, INVOLVING ARRANGEMENTS WITH THE IMMIGRATION SERVICE, CONCERNING A BABY THAT WAS BORN OVERSEAS AND THAT I BROUGHT INTO THIS COUNTRY, ( AND THAT WE GOT THROUGH A MIDWIFE, AFTER PAYING MATERNITY FEE AS THEY CLAME.) FOR THEY TOLD ME THEY HAD MADE ALL THE ARRENGEMENTS NECESSARY FOR THE ENTRY. FOR THAT [REDACTED] TOLD US IT WOULD COST A FIVE THOUSEND DOLLARS FEE. HE TOOK OUR THREE PASSPORTS AND THE BABY'S I.D. BOOK THAT HE WAS RETAINING FOR A PERIOD OF TWENTY MONTHS AND REFUSED TO RELEASED THEM AT MY REQUEST.
